NEWSLETTER SEPTEMBER 2011

# The Manifest Theatre

**Dear Members,**

Thank you so much to Andy and his helpers for everything that was achieved during the working week, and also to Yvonne and Val for their continuing work organising the wardrobe. Special thanks also go to Yvonne for all her hard work over the years as she stands down as our Bar Manager, and a warm welcome to Nigel and Amanda who have taken on the role – we hope you will give them your support. We have made some changes to membership renewal dates, in order to simplify things. We are extending this year's renewal until December 2012. Thereafter, renewals will be at the beginning of every year, i.e. from January to December, which we're hoping will make it easier for people. So, after renewing now in time for the October production you won't have to pay again until January 2013. Full details when you renew. See you at the theatre!
